¹ Your dental care benefits are highlighted above. To fully understand all the terms, conditions, limitations and exclusions which apply to your benefits, please read the entire Policy.

² For services received from a non-network dentist, the claimant will be responsible for any difference between the dentist's charges and the maximum allowable charge. The maximum allowable charge is based on our network negotiated fees. Further information regarding the maximum allowable charge and network status of dentists is available by calling the toll free telephone number on the back of your dental identification card.
